

DIRECTIONS and HELPFUL HINTS TO VIEW/PRINT ATHLETIC SCHEDULES

- GO TO WWW.WESTCENTRALCONFERENCE.ORG
- SELECT Morris Area High School (on right hand side)

Events for that day, will be on screen. You can select any day in the calendar to see events for a particular day. (note, clicking on **West Central Conference icon**- under athletics on School home page - will automatically bring you to this point.)

- To print an activity report for a specific sport, click on :
- Select activity that you want to view. See below list for names of sports. You can select multiple activities by holding down the control key.
- Select Gender (note if sport is for one gender, use "all". If you select boys football you will not get correct information. Instead, use -- football: all. See below list for correct names of sports)
- Select Level
- Event Type: ALL

You can customize the report by checking the different options. (Conference, non-conference, home, away...) One common option would be to uncheck away only, so that only the home games appear.

Choose a time period and select:

Fall Sports
